

U. S. A.

NEW DECLARATION FOR PENDING PATENT APPLICATION

Oleg Sokolov

declare that I am _____ citizen(s) of _____
USA residing at _____
1-29 Beverbrook Rd, Danbury, CT. 06810

RECEIVED
NOV 12 1993
GROUP 2500

that on January 27, 1993 I filed application for patent Serial No.08|009 982 in the United States Patent Office; that I verily believe that I am the original, first and sole inventor(s) of the improvement in _____

CELLULAR X-RAY GRID

described and claimed in the specification of said application for patent; that I do not know and do not believe that the same was ever known or used before my invention or discovery thereof, or patented or described in any printed publication in any country before my invention or discovery thereof, or more than one year prior to the date of said application, or in public use or on sale in the United States more than one year prior to the date of said application; that I have reviewed and understand the contents of the specification, including the claims, as amended by any amendment specifically referred to in the declaration; that said invention has not been patented or made the subject of an inventor's certificate before the date of said application in any country foreign to the United States on an application filed by me or my legal representatives or assigns more than twelve months prior to the date of said application; that I acknowledge a duty to disclose information of which I am aware which is material to the examination of this application in accordance with 37 CFR 1.56(a); and that no application for patent or inventor's certificate on said invention has been filed by _____ or _____ representatives or assigns in any country foreign to the United States, except as follows:

DISCLOSURE DOCUMENT NO.297111 OF 11|29|91

The undersigned petitioner(s) declare(s) further that all statements made herein of my own knowledge are true and that all statements made on information and belief are believed to be true; and further that these statements were made with the knowledge that willful false statements and the like so made are punishable by fine or imprisonment, or both, under section 1001 of Title 18 of the United States Code, and that such willful false statements may jeopardize the validity of the application or any patent issuing thereon.

Dated: 10/22/93

Signed: Oleg Sokolov
